

## Asset Management

Our asset management expertise brings together world-class, boutique asset managers – each offering a distinct approach to money management that reflects many decades of professional experience and proprietary investment strategies across global asset classes. Our organizational approach is to allow individual investment managers to retain boutique processes, talent and culture that have proven records of adding value to portfolios and meeting client objectives.

### **Real Estate Opportunities**

As a Mariner client, you have access to opportunities investing in real estate, distressed real estate, real estate related assets, and real estate focused companies throughout the United States. With an experienced and professionally diverse team, we have the ability to uncover opportunities that emerge within the long-term cycles and macro-economic trends in the market. Opportunities include residential lots, entitled land, secured loans, income producing properties, value-add opportunities and more.

### **Private Equity Investments**

Like any private equity investor, you are looking for access and assurance. At Mariner, we connect you with a seasoned team of professionals that has years of experience with identifying and analyzing private equity opportunities. This is a team with enviable

expertise that comes from working at and advising some of the top alternative investment firms in the world. This expertise helps validate decisions as you build the private equity portion of your wealth management plan.

### **Alternative Investments**

A smart alternative investment allocation can help you create an even greater level of portfolio diversification and should be an integral part of your wealth management plan. With Mariner, you have access to some of the most talented professionals in the alternative investment space. These experts have experience in conducting deep due diligence on alternative investment opportunities, accessing a variety of options across the world, and structuring proprietary alternative investment funds.
