

## Mariner Foundation

At Mariner, we have a deep conviction about sharing the fruits of our labor within the communities where we live and work. It is the reason for the Mariner Foundation – an employee based Charitable Giving Foundation supporting underprivileged children in the greater Kansas City area. The Foundation is funded through employee donations as well as matching funds from Mariner.

Together, we have had the privilege of helping a number of efforts and organizations including:

- » Habitat for Humanity
- » Operation Breakthrough
- » Ronald McDonald House
- » Holiday Adopt-a-Family
- » Big Brothers and Big Sisters
- » Children's Mercy Hospital

Mariner Wealth Advisors is an independent wealth management firm. Our mission is to help clients and their families achieve and maintain financial peace of mind – preserving the wealth clients have created and building a legacy for future generations of family and business leaders.
