
Our Purpose

At Mariner Wealth Advisors, we believe in helping people pursue something beyond wealth. We believe in helping people pursue a purpose. A larger calling. A passion.

We believe this pursuit is made possible through one simple, yet elusive emotion — confidence. Confidence that you have a true team caring for all aspects of your financial life. Confidence that you have the best people delivering exceptional wealth management, innovative opportunities, and proactive advice. And finally, confidence that you have a trusted resource to call for anything financial and beyond.

Mariner Wealth Advisors is an independent wealth management firm. Our mission is to help clients and their families achieve and maintain financial peace of mind – preserving the wealth clients have created and building a legacy for future generations of family and business leaders.
